PLEASE NOTE:

- Each Obstacle is judged separately. You may choose to PASS any Obstacle at ANY time before or during the obstacle.
- If you or your horse is afraid/unsure of an obstacle we encourage you to wave to the judge and move on to the next obstacle rather than having a bad experience with your horse in the arena.
- YOU know your horse and what you have practiced better than anyone and we would like you to both have a fun yet challenging experience in Trail or Ranch Trail Class.
- Best of luck to everyone!
