ALL-AROUND SHOWMAN AWARD — To be eligible for the All-Around Showman Award you must sign up for it. You may apply up to six entries towards the All-Around award. Showmanship and a Static Exhibit are mandatory. The remaining four entries can come from quiz bowl, rabbit judging, pet class, market class and breed class. It's kind of a guessing game, but you need to decide which classes you think you will do best in. After you have written down all your fair entries, go back and put a check mark in the far left-hand column of the entry form to designate the classes you want to count toward that award. If not trying for the all-around, write void in the far left column. A static exhibit is mandatory, however, you can apply only one static entry toward the award. Fur classes are not included in all-around award.

Maximum of 12 rabbit entries allowed per exhibitor. Single market entries and market pen of 3 (counts as one entry) DO count toward the 12 maximum rabbits. Breeder's choice rabbits do not count toward the 12 maximum rabbits. You may have only one pet, one single market and one market pen entry. Rabbits must have permanent tattoo in left ear before coming to fair. No tattooing allowed on fairgrounds.

Breed, Market and Pet Classes Only				Please enter all other classes (including Fur) on the back.
