

# 4-H Fashion Show — Procedures and Information

4-H contests are open to 4-H members ages 8–18. The 2016 Lancaster County Super Fair Book has information about 4-H contests — see page 17.

In the Fashion Show contest (formerly Style Revue), 4-H'ers learn how to present themselves and gain confidence as they model their clothing projects and show proper fit of their clothing.

4-H members enrolled in clothing projects are eligible to model their garment (this includes Beyond the Needle, Clothing 1 Non-Wearables and Knitting or Crocheting).

Contest consists of two parts:

- 1) Judging which is held the week before the Lancaster County Super Fair
- 2) Public Fashion Show held during the Lancaster County Super Fair

A parent or helper is allowed to assist youth in preparing for Fashion Show Judging and Public Fashion Show.

## Fashion Show Judging

Judging is held before Lancaster County Super Fair on **Tuesday, July 26, 8 a.m. at the Lancaster Extension Education Center, 444 Cherrycreek Road**. Prior to judging, a letter will be mailed to participants assigning specific check-in and judging times.

STEAM Clothing 1 Non-Wearables (including Knitting or Crocheting Level 1) participants will not be judged on judging day. Clothing 1 Non-Wearables participants need to preregister and complete the Fashion Show Narration form. They will receive participation ribbons at the Public Fashion Show.

## Public Fashion Show

The public Fashion Show is held during Lancaster County Super Fair, on **Thursday, August 4 at 7 p.m.** at Lancaster Event Center (Exhibit Hall — use east entrance). Invite parents, relatives and friends to this event.

The evening of the Public Fashion Show, the 4-H members will model their clothing projects. Dressing rooms will be marked with respective clothing areas. Participants may begin dressing at 5:30 p.m., but must be in line by 6:30 p.m.

Ribbons and trophies will be handed out during the public Fashion Show.

# Sample Fashion Show Narrations

## STEAM Clothing 1

Sarah Doe is ready for school in her close-fitting cotton capri pants and a cotton pullover sleeveless top. Her pants are accented with trim to coordinate with the top making it a complete outfit. Making this outfit was a new experience for her! She plans to wear this outfit to school, church, or when she goes to the mall.

Emily Doe is ready for the heat in her cool summer outfit. This easy pull-on outfit is accented with bright smiley faces. Emily chose 100% cotton because it is breezy and easy to care for. While sewing her first outfit, she learned how to hem and put in elastic. Keep smiling Emily!

## STEAM Clothing 2

Jane Doe will be counting ladybugs instead of sheep in her cotton/flannel pajama top and coordinating black cotton/flannel boxer shorts. Her pajama top features a front button placket, patch pocket and long set-in sleeves which Jane found challenging. Watch out for Jane as she'll be the best dressed at the next slumber party!

For Maria Doe's clothing project this year, she chose a plaid jumper made out of wool and rayon with a matching beret. This the first time Judy made pleats. To finish her ensemble, she's wearing a white cotton long-sleeved blouse with a cowl neck and gold accent buttons. Maria is looking forward to this fall when she can enjoy wearing this outfit.

## STEAM Clothing 3 (formerly Sewing For You)

Becky Doe is showing off her dress she made for a high school dance last January. She chose a 100% polyester crepe in periwinkle blue as her fabric. The close fitting, A-line dress has front princess seams, back crossing straps, and a side zipper. Becky fully lined this short formal dress which was a new experience. Looking sharp, Becky!

Emily Doe is showing fashion from the 1950's. This costume has a blue felt circle skirt complete with a poodle appliqué. Complimenting the skirt is a white cotton semi-fitted blouse with buttons. Putting in a collar, sleeves, and making buttonholes were new skills learned in this project. Way to go Emily!

## Beyond the Needle (formerly Decorate Your Duds)

Nola Doe decorated this shirt with a few of her favorite things. After learning the skill of stenciling, she stenciled butterflies, caterpillars, bees and flowers on the collar, cuffs, and pocket. Hand sewn beads and bugle beads add intricate detail to her design. This beautiful shirt can be worn over a sun dress, with pants, or with any of her favorite things.

After Monica Doe attended 4-H Camp in Halsey, she was inspired to create this shirt. She tried a new procedure, arranging the leaves on the shirt and lightly spraying it with a bleach mixture and quickly rinsing it to stop the bleaching action. Now she will "blend right in" to the forest the next time she goes hiking. Looking good, Monica!
