

How to Enter 4-H Contests at the Lancaster County Super Fair

The information below is condensed from the 2016 Lancaster County Super Fair Book, pages 15–18 and 46.

4-H contests are open to 4-H members ages 8–18. Premium payouts for all contests held before and during the fair must be picked up on Monday, August 8, 7–11 a.m. in the Lincoln Room (except livestock judging, rabbit and poultry contests).

Life Challenge

4-H Life Challenge judging contests help youth learn more about issues related to family and consumer science (FCS). Contests are open to all 4-H'ers — need not be enrolled in a specific project. Contact Tracy at 402-441-7180 for more information.

- **Junior and County-Level Senior Life Challenge** — Junior and senior contests are held the same day. Held before the fair, this contest will be Saturday, June 4, 9 a.m. at the Lancaster Extension Education Center, 444 Cherrycreek Road, Lincoln. Preregister by June 2 by calling 402-441-7180 (there is no entry form). Contest information and study materials are available from the Extension office.

Bicycle Safety Contest

Contest is open to all 4-H'ers — need not be enrolled in a bicycle project. This contest will be held before the fair on Saturday, June 25, 9 a.m. at the Lancaster Extension Education Center, 444 Cherrycreek Road, Lincoln. Must preregister by June 20 by calling the Extension office at 402-441-7180 (there is no entry form). Participants must provide their own bicycle

and must wear a helmet (some helmets may be available at the contest.)

There are two parts of the contest. In the bicycle skills events, 4-H'ers maneuver through several designated courses to test their riding skills and safety — 4-H'ers also take a multiple choice quiz. A bicycle inspection reinforces the importance of bicycle

maintenance and safety features. This is a county contest only — there is no state contest.

Plant Science Contest

Held before the fair, this contest will be on Wednesday, June 22, 10 a.m.–Noon at the Lancaster Extension Education Center, 444 Cherrycreek Road, Lincoln. Preregistration is not required — enter day of contest. Youth choose which portions of the contest to participate in.

- **Tree Identification** (see 4H332, Tree ID manual, for list of trees that will be used) — identify tree samples with proper name and spelling.
- **Grass-Weed Identification** — identify grass and weed samples with proper name and spelling.
- **Horticulture Contest** — identify samples of vegetables, fruits, nuts, herbs and landscape ornamentals. The plant list contains plants that are commonly used or sold in Nebraska. Top placers qualify to go to state contest.
