and

NEBRASKA HEALTH AND HUMAN SERVICES SYSTEM
DEPARTMENT OF REGULATION AND LICENSURE

“Removing Head Lice Safely” Video

Information is easy to understand and includes:

- inspecting a child’s head for lice
- magnified live head lice
- hands-on combing demonstration
- ways to prevent reinfestation

Teaches:

- why some treatments may be less effective today
- how quickly infestations get started
- why using a metal lice comb is the only method that will remove hard-to-kill nits
- how to break the lice life cycle

Videos available for sale \$10 each

10% discount on orders of 10 or more to same address
Choose English, Spanish or Arabic

Included with each videotape are reproducible educational resources:

- **Head Lice Management**
- **Quick Guide with combing instructions**
