

# Environmental Awareness Workshop for Child Care Providers & After-School Staff

Teaching children ages 3–9 about our environment can be fun and easy. In this workshop, you will practice hands-on activities to help children learn to protect our environment.

**Wednesday, May 3**  
**10 a.m.–12 p.m.**

**Lancaster Extension Education Center**  
**444 Cherrycreek Road, Lincoln**

Presented by Extension staff:

Teri Hlava, M.S. Ed., 4-H Youth Development

Jaci Foged, M.S. Ed., Extension Educator

**Cost \$5. 2 DHHS approved in-service hours.**

Deadlines to register: Monday, April 17

Space is limited,  
so register early.

**“Trash to Treasure” activity kit will be available for checkout after attending one of these workshops.**

**Making recycled greeting cards is a fun way for children to learn and practice reusing items.**

Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska–Lincoln cooperating with the Counties and the United States Department of Agriculture.

University of Nebraska–Lincoln Extension educational programs abide with the nondiscrimination policies of the University of Nebraska–Lincoln and the United States Department of Agriculture.
