Commercial Recycling

Businesses interested in waste reduction and recycling can call WasteCap of Lincoln at

472-0888

Operated by Lincoln Chamber of Commerce and partially funded by City of Lincoln, WasteCap's goals are to promote waste reduction by providing businesses with technical assistance necessary to reorganize.

There are a number of commercial recycling providers in the city who are able to assist local businesses in the removal of recyclable materials. They are:

■ **Recycling Enterprises**, 421-6655

■ **Midland Recycling**, 476-8502

■ **Roberts Recycling**, 483-2477

■ **Midwest Refuse**, 475-0244

■ **Industrial Services**, 467-3581

■ **Von Busch & Sons Refuse**, 475-5197

■ **Gomez Refuse**, 467-1669

The Lincoln-Lancaster County Health Department provides Pollution Prevention for Businesses assistance at 441-8021.

Recycling and

The following special waste items are PROHIBITED from disposal in the landfill and regular garbage:

- Vehicle batteries
- Tires
- Fluorescent light bulbs
- Other hazardous, toxic, reactive or corrosive wastes
- Used oil
- Pesticides or herbicides
- Liquid paint

The City of Lincoln encourages recycling of special waste where feasible. Listed below are recycling and/or disposal options for many of these items.

Antifreeze RECYCLING — The following location accepts antifreeze. Sites listed under oil collection may also take antifreeze. Please call ahead.

Agee's Auto Repair
1323 M St., 475-2252

DISPOSAL — Antifreeze can be poured down the **sanitary** sewer (not in septic tanks, waste lagoons or storm drains). Dilute antifreeze with at least 3 gallons of water per gallon or partial gallon of antifreeze. Do not dispose of more than 10 gallons of water **and** antifreeze per day.

Appliances The following metal recycler accepts appliances.

Altar Scrap
525 N. St., 476-3306
Appliances with freon incur a charge

Residents may dispose of appliances at the curb, but should contact the waste hauler before doing so. Residents should expect a fee for the curbside collection of appliances. Residents may haul appliances to the 48th St. Transfer Station for a fee of \$5 each.

Batteries Batteries (except alkaline and zinc-air) contain toxic metals and should be taken to a proper facility for recycling. The following locations accept most types of batteries.

Harrold's Battery Service
3320 Cornhusker Hwy, 466-8667
Accepts any type of battery. Call for fees.

Interstate All Battery Center
4310 N. 27th St., 474-1991
Accepts small quantities of any type of battery except alkaline at no charge. A fee will be assessed for large quantities.

Battery Station
5950 Cornhusker Hwy, 467-2539
Accepts lead-acid batteries only.

• **"REGULAR" ALKALINE AND ZINC-AIR BATTERIES** — Classified as nonhazardous, alkaline and zinc-air batteries can be disposed of in the regular trash and landfilled.

• **"RECHARGEABLE" NICKEL-CADMIUM (NICAD) BATTERIES** — When they no longer recharge, take rechargeable batteries to a battery recycler listed above.

• **"AUTOMOBILE" LEAD-ACID BATTERIES** — The 48th St. Transfer Station accepts lead-acid batteries for a fee. Many lead-acid battery retailers accept used ones as trade-in with purchase. Contact dealer.

• **CELLULAR PHONE BATTERIES** — Contact your cellular phone provider.

• **"BUTTON" MERCURY, SILVER OXIDE AND/OR LITHIUM BATTERIES** — Many businesses that sell button batteries also collect used button batteries. Check with dealer.
