

Be a 4-H Clover College Volunteer!

Adult and teens volunteers are needed to help during Clover College! No experience needed! Volunteer for one session or all four days! If you are interested in this opportunity, contact Tracy at tkulm1@unl.edu or 441-7180.

Dairy Fun Day, June 23

Rokeby Dairy 4-H club members and Norris FFA members invite your family to attend a Dairy Fun Day at Prairieland Dairy near Firth (13000 Pella Road) on Saturday, June 23, 11 a.m.–3 p.m. Free, fun activities and lunch. 4-H'ers will assist with tours, a petting zoo, face painting and more.

4-H Robotics County Fair Entry

4-H'ers involved in the Robotics curriculum may enter a project in the Lancaster County Fair in the following Engineering class (added after Fair Book went to press):

• **You Be The Teacher** (class # H860012)—share with others what you learned in this project. Examples may include a poster, an essay, etc. (note: not state fair eligible).

Insect Pins Available at the Extension Office

Due to popular demand, youth can purchase insect collecting pins at the UNL Extension in Lancaster County office. The cost is \$5 for a packet of 100 pins. They are available in size 3, the size needed for most insects and size 1, for smaller insects.

New Art Projects

There are two new intermediate and advanced Home Environment projects, "Sketchbook Crossroads" and "Portfolio Pathways." These projects will help youth develop their artistic skills and talents. Youth can explore many new media—from sketching and painting to sculpting and graphic design. Stop by the office to see the project manuals.

June

Chris Stephenson

Lancaster County 4-H is proud to announce Chris Stephenson as winner of June's "Heart of 4-H Award" in recognition of outstanding volunteer service.

Chris has volunteered with 4-H for over 7 years in many roles: independent Clover Kids project leader; Rabbits R Us 4-H Club project leader—and now co-leader—of the club; member of Rabbit VIPS Committee; County Fair 4-H Rabbit Superintendent; Bucket Calf Superintendent; Clover College instructor; and Wildlife Habitat team coach. She has also assisted with Shooting Sports programs and the County Fair Bicycle Safety Contest.

"I like being a 4-H volunteer because it's a great way to spend quality family time," says Chris. "I learn as much, or more, as the kids do, and it's my way of giving back to a system that has offered so much to me through the years. I get to see the future in the kids I work with, and it's a beautiful future! My favorite experience is seeing the pride the younger 4-H'ers have in their accomplishments and how the older 4-H'ers mature their skills. The skills 4-H'ers learn will be with them their entire lives."

Chris and her husband Ron and three daughters live on an acreage near Bennet. In addition to volunteering for 4-H, Chris volunteers at Messiah and Holy Savior Lutheran churches, and as a parent volunteer at Norris Elementary and Middle schools.

Congratulations to Chris. Volunteers like her are indeed the heart of 4-H!

Nominate your favorite 4-H volunteer by submitting the form online at <http://lanaster.unl.edu/4h> or available at the extension office. Nominations of co-volunteers welcome.

Clover College

Tue., June 19–Fri., June 22

Lancaster Extension Education Center, 444 Cherrycreek Rd
Open to 4-H & non-4-H youth ages 6–19

Four days of "hands-on" workshops full of fun and learning! Youth attending workshops that overlap the lunch period should bring a sack lunch. Food will not be available. If you have questions, contact Tracy Kulm at 441-7180.
