Save 10% on 4-H Camps by Registering Before April 1!

Open to all youth ages 5-19!

4-H Summer Camps & Trips are open to all youth ages 5-19 — need not be in 4-H. Specializing in leadership development and team building, 4-H summer camps create positive memories which last a lifetime.

With three unique Nebraska locations at Halsey, Gretna and Alma, there are more than 40 camps ranging from half day to four days/three nights. Some camp sessions offer a range of activities while others focus on a specific theme. Most camps include one to four overnight stays in comfortable cabins. Six camps aimed at youth ages 5-8 are one-day camps and adult chaperones are invited!

UNL Extension, through its 4-H Youth Development Program, has been operating 4-H Camps for over 40 years. The 4-H camps and centers all meet over 300 standards established by the American Camping Association.

Since the Eastern Nebraska 4-H Camp near Gretna is closest to Lincoln, many Lancaster County youth attend camps there, however local youth also attend camps at the other two locations.

2007 4-H Summer Camp brochures have complete information and registration forms — available online at <http://4h.unl.edu/camp> or at the extension office.

June 25-28	Discovery - Survivor Camp III	11-15	\$175

Explore Career Options at Big Red Academic Camps

The 2007 Big Red Summer Academic Camps are a chance for high school youth to spend time investigating an interest or potential career, explore the UNL campus, meet people from across the state and have lots of fun. Held in June, Big Red Summer Academic Camps features 10 career exploration camps hosted by Nebraska 4-H and UNL faculty members. The camps are residence camps held on the University of Nebraska-Lincoln campus. Housing and food are provided.

After spending several fun-filled days exploring a specific topic such as movie-making or fashion design, youth showcase their work at a special "capstone event" which family members are invited to attend. Brochures and registration forms are available at <http://bigredcamps.unl.edu> or at the extension office. For more information, call 472-2805. 4-H members are encouraged to apply for a scholarship — application is on the Web site.

Save by registering before April 1!

Camp	Dates	Grade**	Early Bird Fee*
Child Development	June 10-15	9-12	\$400
