

Holiday Gifts Needed for LPS Headstart

A good community service project for the holidays is helping the less fortunate by providing gifts for the Lincoln Public Schools Headstart Program. This program is in need of over 500 gifts for children birth to 5-years old. Literacy is being emphasized again this year, so books and items to encourage reading are suggested (such as puppets, puzzles, small toys, etc. relating to story books). The goal is to give each child a book. **Gifts should be unwrapped** and recommended cost is up to \$5. Bring gifts to the extension office by Dec. 1. For more information, contact Lorene at 441-7180. This is an excellent project for 4-H, FCE and other community clubs. Individuals are welcome to participate.
