

RE-ENROLLMENT IN 4-H BEGINS MID-NOVEMBER!

4HOnline is currently being updated to version 2.0, which should be live mid-November. Please do NOT try to log-in until 4-H announces via email that families may re-enroll.

The 4-H year is Oct. 1–Sept. 30 and, since it is a new 4-H year, all 4-H members and volunteers must re-enroll for the 2021–2022 4-H year (even if you just enrolled in August or September). The website to enroll or re-enroll is <https://ne.4honline.com>.

The process is easy and only takes a few minutes per member or volunteer. Only parents/guardians may enroll 4-H members. Each 4-H household will need to initially set up a profile in which the 4-H youth and/or volunteers in the household will be added. There is no fee to enroll in 4-H in Lancaster County.

NOTE: Health information is optional. You DO NOT need to complete this portion of the online form unless your child is planning to attend an overnight camp or campus event.

If you have questions about the process, contact Emily Kern at lancaster4H@unl.edu or 402-441-7180.

For enrollment to be complete, at least one project needs to be selected as well as choosing a club (or “Lancaster Independent”).

PROJECTS: When signing up for individual projects — note the abbreviations for the project areas. We have added the abbreviations to the 4-H Project List at <http://lancaster.unl.edu/4h/club/ProjectList.pdf> to help you locate an individual project. For example, you will find “Sketchbook Crossroads” under C&FS which stands for Consumer and Family Science instead of under ‘S’ or under ‘Art.’

INDEPENDENT MEMBERS: 4-H members enrolling as independent need to select “Lancaster Independent” under “club.”

FFA MEMBERS: FFA members need to select TCA, Crete, Norris, Raymond Central or Waverly FFA under “club.”

VOLUNTEERS: 4-H leaders need to re-enroll. 4-H club organizational leaders are able to view their 4-H club’s roster online, but must be enrolled for the current year and must contact Emily Kern to set up a password.
