

AG LAND BEST MANAGEMENT PRACTICES WORKSHOP

Thursday, March 5 • 9 a.m. – 3:30 p.m.
Waverly Community Center
11120 N 141st Street

Free to attend • Lunch sponsored by The Nature Conservancy

For Crop Producers and landowners near Waverly.

Best Management Practices (BMP's) can be used to improve soil, protect groundwater, and improve a farm's bottom line. This workshop will help attendees better understand those BMP's, how to implement them and what cost-share programs are available. The workshop is hosted by the City of Waverly, who is interested in working with producers on a voluntary basis as part of their Drinking Water Protection Plan.

Go to: go.unl.edu/waverlybmp to register by Monday, March 2nd or call the Extension office at (402) 441-7180 to get signed up.
