NARRATION: In 60 words or less, describe your outfit. Tell about a special feature or technique you used and where you plan to wear the outfit. You may also report about a difficulty and what you learned.

Example: Sally Jones glimmers like sunshine in her embellished denim skirt. She carefully used glitter glue in her favorite colors of yellow and orange to outline the pockets and seam lines. Sally also added a flower appliqué to the left side of the skirt. A daffodil colored T-shirt and tangerine print sandals complete this colorful ensemble.
